

AWAREITY

Safe Environment Reporting System

As we continue to work toward a safe and secure environment for all people within the Diocese of Green Bay, we have implemented a web-based incident reporting tool called Awareity.

Awareity is a comprehensive platform for reporting, tracking, and documenting incidents and concerns, making it simple and confidential to share red flag behaviors such as: sexual abuse of a minor (*if this is currently taking place, immediately call 911 to report*), harassment, boundary issues, threats of violence, and concerning behavior by clergy, staff, or volunteers.

The goal of Awareity is prevention and to help identify red flags and warning signs before an incident occurs or escalates. By working together, we can help prevent incidents from occurring and ensure the safety and security of our parish and school communities.

This is not an emergency reporting system. If this is an urgent matter, please immediately dial 911.

To report a concern, please visit:

This may also be accessible from your parish or school website by clicking on the green butterfly icon (*shown above*).

SHOULD I REPORT AN ACT OF SEXUAL MISCONDUCT BY DIOCESAN PERSONNEL TO THE DIOCESE?

Yes. The Diocese of Green Bay takes very seriously any and all credible complaints of sexual misconduct by members of the clergy, religious and lay staff of the Diocese.

We encourage anyone with knowledge of an act of sexual misconduct to inform the Diocese immediately so that we can take appropriate action to protect others and provide support to victims of sexual abuse.

WHO CAN I CONTACT TO REPORT AN ALLEGATION OF SEXUAL ABUSE OR MISCONDUCT?

Any person who wishes to report an incident of sexual misconduct by a member of the clergy, religious or lay staff of the Diocese of Green Bay should contact the Office of Safe Environment at the Diocese as follows:

**Office of Safe Environment
Diocese of Green Bay
at 877-270-8174 or
920-272-8174**

Write to: Office of Safe Environment, Diocese of Green Bay, P.O. Box 23825, Green Bay, WI 54305-3825. Letters should be marked Personal and Confidential and indicate when and how the person writing can be contacted for further information.

DOES THE DIOCESE PROVIDE ASSISTANCE TO SEXUAL ABUSE VICTIMS?

Yes. The Diocese is committed to the well-being of those who have suffered abuse, and has designated a Victim Assistance Coordinator to help anyone who reports that he or she has been abused.

SHOULD I REPORT THE ALLEGATION TO CIVIL AUTHORITIES?

Yes, immediately if the person is now under the age of 18. If the person was abused as a minor but is now an adult, the Diocese strongly encourages that individual with the allegation to contact the civil authorities in the county where the incident(s) occurred. Even though the Diocese reports all credible abuse allegations to the civil authorities, it is important that they hear directly from the individual making the allegation.

THE DIOCESE SHALL TAKE EVERY COMPLAINT SERIOUSLY.

The Diocese will respond promptly and seriously to every complaint of sexual misconduct against a minor by a priest or deacon. When the Diocese receives an allegation that a priest or deacon has engaged in sexual misconduct, an investigation will immediately begin.

The Diocese will offer the alleged victim pastoral assistance and counseling that may be needed. During the investigation, the rights of all those who are involved, including both the person making the allegation and the person accused of misconduct, will be protected. The person making the complaint may seek counsel to vindicate his/her rights if the person believes that the Diocese has not responded adequately to the allegation.

"THE FIRST OBLIGATION OF THE CHURCH WITH REGARD TO THE VICTIMS IS HEALING AND RECONCILIATION."

- Charter for the Protection of Children & Young People, United States Conference of Catholic Bishops

WHAT IS BEING DONE TO PREVENT SEXUAL MISCONDUCT IN THE CHURCH?

Every effort is made to assure that all persons ministering in the Diocese are aware of and will abide by the policies prohibiting sexual harassment, exploitation or abuse, and the procedures for dealing with incidents of sexual misconduct.

All employees of the Catholic Diocese of Green Bay and its local representatives; all Priests, Deacons, and Seminarians; and any volunteers age 18 and over who have direct contact with children, youth, and individuals at risk are required to attend a VIRTUS® Protecting God's Children TM Adult Awareness Session, complete an approved diocesan criminal background check and acknowledge receipt of an appropriate conduct policy.

CONCLUSION

Sexual misconduct is complex as well as terribly harmful. No simple or uniform methodology can provide an effective response because each instance has unique aspects that require adaptation.

However, our experience over the past many years tells us it is possible for individuals and communities to heal from the effects of sexual misconduct. This is not easily or quickly accomplished. Effective counseling, support groups and spiritual direction are tools which are often required for this healing.

THE DIOCESE IS COMMITTED TO DOING ALL THAT IT CAN TO:

- Promote safe, healthy communities of faith.
- Intervene effectively when there is sexual misconduct.
- Respond fairly and compassionately to those harmed by sexual misconduct.
