## FOR IMMEDIATE RELEASE

### **Catholic Charities for the Diocese of Green Bay to bring in Trauma Recovery Associates, host two workshops on the Trauma Model**

GREEN BAY, Wis. (Jan. 17, 2019) – Bishop David L. Ricken and Catholic Charities for the Diocese of Green Bay are pleased to welcome Trauma Recovery Associates, who will facilitate two workshops on Dr. Colin Ross' Trauma Model. The events are co-sponsored by Trauma Recovery Associates and Catholic Charities for the Diocese of Green Bay and will be presented by Dr. Phyllis Florian, D.PSY., LP, and Rev. Kenneth W. Schmidt, MA, LPC, NCC.

“One of my seven Action Steps to Accountability is increasing and improving our pastoral care, concern, and efforts to accompany victims of sexual abuse in their journey toward healing. Along with the Catholic Charities team, we researched training programs to educate diocesan leaders and area mental health professionals on the topic of trauma recovery. Trauma Recovery Associates are mental health professionals with experience in treating adult survivors of childhood abuse and neglect, and I am eager to bring them in to facilitate these workshops,” said Bishop Ricken. “Victim/survivors of sexual abuse and their families need our love and support as they journey through their pain to a place of healing. It is my hope that these trainings will further equip leaders in our parishes and professionals in our communities with tools to incorporate into pastoral care and treatment.”

Trauma Recovery Associates was established to instruct mental health practitioners and spiritual caregivers on the Trauma Model, Dr. Colin Ross' internationally recognized and research-based model for effective therapy with survivors of childhood abuse and/or neglect. TRA educates and fosters the development of organizational leaders, human service providers, and trauma survivors themselves to respond more effectively to the impact of childhood trauma on individuals and on society.

Dr. Phyllis Florian maintains a clinical practice in Kalamazoo, MI, and is the director of Trauma Recovery Program. She has a master's degree in clinical psychology, as well as pastoral ministry (counseling), and a doctorate in clinical psychology. She is a licensed psychologist.

Rev. Kenneth W. Schmidt is the pastor of St. Catherine of Siena Parish in Portage, Michigan. He is a Licensed Professional Counselor and co-founder of the Trauma Recovery Program in the Diocese of Kalamazoo, MI. In the past ten years, he has worked with individuals and small groups of survivors, as well as canonists, formators for religious communities, and congregations. He now serves as Executive Director of TRA, and is a Fellow for the Healing Springs Ranch in Tioga, TX.

#### **Workshop 1 – Thursday, January 31, 2019 | 1-5 p.m.**
