Youth Ministry

Guadalupe, Lourdes, Fatima, and Champion, WI? If we were playing the game *What Doesn't Belong*, the obvious choice would be the last. However, with the the Bishop's proclamation, the Shrine of Our Lady of Good Help in the Diocese of Green Bay is an approved apparition site of the Blessed Mother! Our Lady's message: teach the children what they should know for salvation. What a powerful message for us who work directly with the youth. Let us increase our devotion to Our Lady of Good Help - see how you can order a beautiful foam poster of Our Lady and her message for your office, youth room, or religious education classrooms! Place your order by October 1st (feast day of St. Therese of Lisieux). What a great visual to order as the world is consecrated to Mary on October 13th by Pope Francis!

As the school year is up and running, do you need a speaker or someone to supplement what is happening in the classroom or in youth group? [See the list of speaking topics here!](#) More resources and speakers outside of our office will be provided soon.

Have you ever thought of bringing in the stories of the saints to youth nights, religious education classes, or youth group? Here's a list of some heavy hitters whose feast days are coming. We all love stories - why not inspire with some great heroic witnesses? Researching their stories will be worth your time - we inspire others to sainthood by providing saintly models!

"What do I expect as a consequence of the Youth Day? I expect a mess.

There will be one. There will be a mess here in Rio? There will be! But I want a mess in the dioceses! I want people to go out! I want the Church to go out to the street! I want us to defend ourselves against everything that is worldliness, that is installation, that is comfortableness, that
