Heads-up!

Youth Ministers will attend a 1.5 day discipleship formation seminar this year. This Discipleship Formation Seminar furthers the Bishop's 6-year plan, *Disciples on the Way*, and supports the living out of the diocesan mission statement to become communities of discipleship.

Participants will leave this seminar with tools that will enable them to craft deep habits of prayer, articulate the foundations for evangelization, and apply them to their own ministry.

DETAILS: October 24 (full day) KI Center, Green Bay and October 31 (half day) Nativity Parish, Green Bay. Cost to register TBD (will include lunch on the 24th, morning refreshments on the 31st and all materials).

REGISTRATION Opens Soon; Stay Tuned!

"It is in our friendship with Jesus that you will find a richness that will sustain you in your areas of ministry and service. Open wide the door of your heart to Christ!" --Bishop David L. Ricken

Catechesis of the Good Shepherd (CGS)

Training for Catechists of Children Ages 3-6

CGS is a Montessori-based Catholic faith formation program where children can grow in their relationship with God through a deep engagement in Scripture and liturgy. It is based on the belief that God and the child are already in relationship. Our work as adults is to provide a place for the child and God to come together and grow.

You are highly encouraged to have at least two people from a parish/school, etc. get trained, but you can start an atrium with one.

[**Atrium**= A gathering room specially prepared for the children, which contains simple yet beautiful materials that they use to draw near to God. In the early church, the *atrium* was the place where the catechumens were prepared. For the child, the *atrium* is a place of preparation for involvement in the larger worshipping community. A **mobile atrium** is a method of preparing all materials to be easily enclosed in inexpensive, hinged low bookcases on wheels that can be closed and wheeled to the perimeter of rooms that must function as shared space.]
