

Catholic School Update February 23, 2018

Heavenly Father,

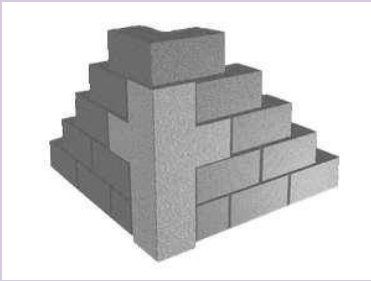

As I enter another week of my Lenten journey, guide me to the path that leads to you. Fill my heart with gratitude, patience, strength, and peace as I strive to become the-best-version-of-myself, honestly admitting my shortcomings and sins. As I renew my resolve each day to become a better person, let me hear your voice in the deepest reaches of my heart. Give me rest in you. Help me to accept others, showing them your great love instead of casting judgment. Stay with me through the busy days this week and remind me that when I need comfort, solitude, wisdom, or guidance, I can always turn to you. Help me develop discipline and generosity through fasting and almsgiving, and come closer to you through prayer this Lent. In your name I pray, Amen.

Change in 2018-2019 Calendar

Due to a scheduling conflict the Initial Educator Methods B will change from March 7 to **March 14**. Hopefully, it will not bump into anyone's spring break. Additionally, the High School Principals meeting is changed from March 9 to **March 1**.

Upcoming Technology Conferences

WEMTA - (Wisconsin Educational Media and Technology Association) - March 27-27 - WI Dells

ISTE - (International Society for Technology in Education) June 24-27 - Chicago

SITA - (Summer Instructional Technology Academy) July 31 - August 2 - St. Norbert College

Contracts for 2018-2019

The most significant contract change for the 2018/19 contract year is the development of the Initial Contract which should be given to an employee during their first academic year of employment for any new position the employee holds during their tenure at a school or school system. During the initial contract the employer may terminate the contract at any time with or without cause. In essence, the initial contract, works like a year-long orientation period and we are hopeful this gives you more time to evaluate and coach the employee while in a new position. The other contract (Administrator/Teacher/ Director of Religious Education contract) should be used when an employee is not new to a position or school. This contract does require sufficient cause to terminate the contract; therefore, is much more difficult to dismiss the employee from employment. In addition, the language requiring the employee to work for 30 days when an employee gives notice after August 15th has been removed since the clause was not being utilized and created some confusion in the past.

Contract forms, directions, and information are found on the diocesan school Google site (<http://site.ed-gbd.org>), under "Administrators" heading.
