

Catholic School Update May 25, 2018

O Dear Lady of Good Help, You revealed yourself as the Queen of Heaven to your servant Adele. You gave her a mission to pray for the conversion of sinners, to bring the Good News of Jesus Christ to others and to prepare the children for the reception of the sacraments. I trust that as you called Adele to holiness, you are calling me, in my station in life, to live a holy life, devoted to Jesus Christ with the help of your maternal love.

I bring before you now my worries and anxieties. I abandon my attachments to them and place them at your feet. I ask you to hear the deepest longings of my heart as I pray most earnestly for: _____ (your intention).

Dear Lady, you told Adele and you say to all of us "Do not be afraid; I will help you." Help me now as I place this intention with complete confidence and trust. Amen.

Our Lady of Good Help, pray for us.

Discipleship Formation I--Last call

August 10, 2018 at St. Francis Xavier High School

August 24, 2018 at Notre Dame Academy

8:30 am - 3:30 pm

Please register the number of teachers, staff, and administrators for attendance at each of the Discipleship Formation I

workshops. Administrators who attended the session at Silver Lake College last August do not need to attend this August but are welcome to join your school members if you wish. Preliminary registration for planning purposes is [here](#). Please complete by May 31. We may ask you during July to provide the names of all attendees for each session so we know the intentions of your school members.

Accreditation Workshops-Last call

Accreditation workshops are scheduled for June 19, on the Diocesan campus. The sessions are open to principals and any accreditation team members you wish to bring.

The morning session (9:00-11:30am) is in the Education Conference Room. This session focuses on the self-study and is helpful to all who need an overview or are completing the self-study process next year. The mechanics of using Google forms and website to complete the self-study will be covered.

The afternoon session (1-2:30pm) is in Room 39 and focuses on the team visit and the Action Plan that is written after the team visit.

There is no cost for the workshops but registration is required so resources can be prepared. If staying for both sessions, you may bring a lunch or enjoy a nearby restaurant.

SITA Registration is open. Visit [EWITC](#) for the registration link.

Coding - It should be a goal that one person in each school has a basic knowledge of coding and can work with students on it. SITA has a great opportunity to be trained in 3 days on the [code.org](#) free materials.

NWEA MAP

Last week there was a webinar going over reports and how to have data conversations using data. Here is a link to the [recorded webinar](#). They also gave a [PADLET resource](#). This information is also posted on our resource website. In looking at growth, one of the concepts brought out during the webinar is that typically 60-65% of the students will meet or exceed the growth projection. This would be considered average.

New VIRTUS Facilitator Training

Do you know of anyone in your parish or school that would enjoy becoming a facilitator, possesses the gifts needed for group facilitation, and could help your parish or school and the diocese continue this most vital ministry?

The Safe Environment Department is offering free training August 14th & 16th, 2018 for individuals willing to volunteer to be VIRTUS® Protecting

God's Children Adult Awareness program facilitators. We ask that you might consider approaching someone in your parish, faith formation program, or school to help in this ministry - especially for your own needs. [Click here for more information](#) and [here for application](#).
